

# Whiskey 'Fore Breakfast

1 Early one day the sun wouldn't shine  
 I was walking down the street not feeling too fine  
 I saw two men with a bottle between 'em  
 This is the song I heard them singing

**CHORUS** Lord preserve us and protect us  
 We've been drinking whiskey 'fore breakfast

D A G D G D A D

2 Well I stopped by the steps where they were sittin  
 And I couldn't believe how drunk they were gettin  
 I said, "Old men you been drinkin long?"  
 They said, "Long enough to start singin this song."

**CHORUS**

3 Well they passed me the bottle said, "Take a little sip"  
 Felt so good that I just couldn't quit  
 So I drank a little more, next thing I knew  
 There were three of us sittin there singin this tune.

**CHORUS**

4 Well one by one everybody in the town  
 Heard our ruckus and they all came down  
 Pretty soon all the streets were ringin  
 With the sound of the whole town laughin and singin

**CHORUS**

5 Well the sheriff of the town he walked up to us  
 With his hands on his hips he looked right through us  
 We gave him the bottle said, 'Here's some for you'  
 Before too long he was sittin there too

**CHORUS**
